JCC SUNDAY - 7th April, 2024

The JCC worship experience was inspired by Psalm 51:12, and we explored the theme of restoration. Over 40 universities participated in this incredible session. In the afternoon, we had the honor of hosting our esteemed guest, H.E. Pastor Dr. Dorcas Rigathi, EGH, who delivered a powerful message urging us to 'Stand Out'—to transcend the ordinary, embrace our purpose, and ignite the fire within, drawing inspiration from Matthew 5:14.

PRAYER RETREAT 30TH - 31ST MARCH 2024

On this day, we experienced spiritual renewal and the rejuvenation of our spirits as we presented our prayers and gave thanks to God. Our time spent at Mount Horeb was marked by a profound deepening of our faith and a gift of spiritual growth bestowed upon us by God.

EVANGELISM WEEK 8TH - 11TH MARCH

The week of evangelism was truly remarkable. Extending our outreach to cherished friends in the hostels and on the streets was a significant contribution to God's kingdom. The excitement surged within us during the apologetics and grill session, led by our esteemed facilitators Bill Ndiindi and Jared Oginga with the moderator being Issa Thuo. The session provided profound insights and served as a revelation to the congregation. We concluded with a grand crusade, affirming the lordship of Christ the King.

HIGH SCHOOL MINISTRY TRAINING - 1ST MAY, 2024

To be sent out, to be a mentor to the younger generation one needs to equip themselves with necessary skills, knowledge and technicalities. On this day we were privileged to have 34 MCCU members and 4 CCCU members joining the session. We delved into discussions on discipleship, evangelism, bible study, peer counseling and leadership development, these discussions were of great benefit and soul-lifting.

WELLNESS DAY- 4TH MAY, 2024

On the 4th, in collaboration with our partners at Ufungamano and the office of the Dean of Students, we were excited to have a wellness day. Our discussions centered on mental health and well-being, addressing topics such as drugs and substance abuse, as well as sexual health and well-being. The testimonials, conversations and sessions lifted the weight of our ill-wellness.

CALEBS SUNDAY 5TH MAY, 2024

CALEBS...AHUU! An ideal man reflects the image of God, Elder John Nganga's words resonated deeply, as we gathered to appreciate the strength, commitment, and spiritual leadership of the gentlemen in our union. The theme banner boldly proclaimed the message 'Modern Man and Masculinity', and the gents were charged to accept themselves as men.

PAMOJA RETREAT

11TH MAY, 2024

On May 11th, our journey took us to Nairobi Baptist Church, a day marked by joyous interactions with several of our associates. It was a day replete with mirth and engaging activities that fostered a stronger bond between the students and associates. The round-table discussions were particularly enlightening, as we explored a range of topics of mutual interest to both groups. As we offered prayers for our associates and students on that day, let us uphold the spirit of communal prayer and continue to pray for one another.

SPECIAL GENERAL MEETING (SGM)- 19TH MAY, 2024

During this gathering we conducted a comprehensive review of our current programs, attained insights and feedback to enhance our spiritual and community activities. An opportunity was presented for members to voice their thoughts and contribute to the growth of our union. The invaluable presence and active participation of our students and associates, is helping us align our efforts with our mission and vision.

ELDERS' NIGHT - 31ST MAY, 2024

A bon voyage moment, for MCCU Shields of Faith and Livingstones finalists. Amidst the challenges of campus life—navigating the pandemic, fluctuating schedules, and adapting to online learning—our brave troopers stood strong within yet they occupied the MCCU family in a mighty way. As they journeyed beyond these walls, we celebrated their legacy and appreciated the impact they've made. The flowers, gifts, and captivating dances were a fitting tribute to their remarkable journey.

PRAYER KESHA 17th MAY, 2024

Say a prayer for a brother, say a prayer for a friend, say a prayer for someone who really needs it, and see the proof of what God can do. On the 17th, the MPH room overflowed with adoration, confessions, thanksgiving, and hearts laid bare as we lifted our prayers to the Almighty. Pastor Ibrahim delved into the transformative power of prayer, emphasizing how it shapes our character, strengthens our faith, and illuminates our vision

BEREANS NIGHT- 24TH MAY, 2024

Much like previous Berean's nights, this one arrived with its familiar blend of fun, wisdom, creativity, and curiosity. However, it bore an extra-special package. We got to find 'power in weakness' as we scrutinized the book of 2 corinthians throughout the semester. As Bereans Night unfolded, joy in the Lord and the strength we had accumulated propelled us forward into the night and beyond. Despite any "faulty servers," we remain resilient in moments of weakness.

QUEENS' BRUNCH-25TH MAY 2024

Stand bold and tall like royalty, bow only to God, and fix your crown, Queen. During our exciting escapade to Leilani Gardens, the MCCU queens embraced their royal essence. We explored the importance of building and sustaining long-lasting friendships, combating low self-esteem, maintaining mental hygiene, and nurturing romantic relationships with a kingdom prince charming who loves and follows the Lord. Our brilliant and witty Mrs. Maggy Hopecakes guided us through these essential aspects of being a Queen. Remember, queens fix each other's crowns—because even royalty needs a little help sometimes
